

PRESS RELEASE

CAREER PATHWAY TALK FOR HOSPITALITY AND TOURISM SECTOR AT SEKOLAH TINGGI PEREMPUAN RAJA ISTERI (STPRI)

Bandar Seri Begawan, 13th January 2024 - Tourism Development Department, Ministry of Primary Resources and Tourism recently gave a career talk at Dewan Puteri, Sekolah Tinggi Perempuan Raja Isteri. The goal was to open their eyes to valuable insights, industry knowledge, and networking opportunities, helping guide them in their future careers.

The career pathway talk is to educate and enlighten the students of careers available and the pathway for them to diverge into after finishing their education in Sekolah Tinggi Perempuan Raja Isteri. The talk highlights career pathways within the Hospitality and Tourism industry in Brunei Darussalam with talks from renowned professionals at Tourism Development Department under the Ministry of Primary Resources, Parkview Hotel and TravelHub Tours and Travel Sdn Bhd. The career pathway talk was attended by 500-600 students from Sekolah Tinggi Perempuan Raja Isteri.

Highlighting the career pathway to students is crucial as it serves as a steppingstone, enabling them to gain insights into their future careers. This empowers students to navigate the common structure of the working industry and job market with a clearer vision.

Laksamana College of Business was also present to host a mini exhibition to present and offer courses within Tourism, Hospitality and Culinary arts for various levels of study. The courses are from level 2 Travel and Tourism up to Degree; LCB also offers flexibility studies for evening classes available starting from March 2024 for those pursuing to develop their skills.

The department aims to collaborate with more institutions and schools across Brunei Darussalam to broaden the career awareness in the Hospitality and Tourism industry.
